

Dynalite Wireless Devices

EasyAir SNS401CMP

Commercial building owners are facing one of their greatest challenges; how to reduce day-to-day operating costs while maintaining comfort and productivity. Intelligent lighting systems are an obvious choice. Although intelligent systems offer energy-saving, monitoring and maintenance capabilities that improve the efficiency of building operations, many building managers are reluctant to make the switch in their existing buildings due to the requirement for new cabling. A Philips Dynalite wireless system offers all the benefits of an intelligent control system, without the need for extra control cabling.

Product data

| General Information | |
|---------------------------|---|
| CE mark | CE mark |
| Remarks | Please download the Lighting - Product Data Sheet for more information and ordering options |
| EU RoHS compliant | Yes |
| Application Conditions | |
| Ambient temperature range | 0 to +50 °C |
| Product Data | |
| Full product code | 871869969232200 |

| | |
|-----------------------------------|-------------------|
| Order product name | EasyAir SNS401CMP |
| EAN/UPC – product | 8718699692322 |
| Order code | 929002108706 |
| SAP numerator – quantity per pack | 1 |
| Numerator – packs per outer box | 25 |
| Material no. (12 NC) | 929002108706 |
| Net Weight (Piece) | 0.045 kg |
